HOCKEY ON THURSDAY.

The First Local Match of the Season Has Been Arranged for.

The first hockey match of the season in Hamilton will be played at the Victoria Rink on Thursday night. If arrangements can be made it will be a senior exhibition between the Wellingtons, of Toronto, and the Vics. The first junior O. H. A. match is scheduled to be played here on or before Friday, the 6th, with Parkdale, the return match being set for the 11th, or before, at Toronto. The management of the local club is endeavoring to get these matches reversed, playing the first one in Toronto next Friday. If the Parkdales will not consent they will have to come here to play on Thursday night, as the club cannot have the rink two nights in succession for matches, and has already announced a game for Thursday.

Last night the Victorias elected a captain for their senior team, the choice falling upon Ridley Wylie. It is a good selection.

The Vics. have decided to engage a trainer for the hockey team.

The Victoria Hockey Club has arranged with the Parkdales for a change of dates by which the Vics. will play on the Parkdale ice on Friday next, and the Parkdales will come to this city a week later. This arrangement will allow the senior game between the Wellingtons, of Toronto, and the Victorias to be played here to-morrow night, and, if the ice keeps good, this the opening game of the season, should give lovers of the game a chance to see a first-class exhibition.

PONTON ISN'T TOO GOOD.

Listowel, Jan. 4.—The Listowel rink was jammed to the doors last night with a crowd of spectators who expected to see the home team pushed to its last resources in making a good showing against the celebrated Frontenacs, of Kingston, with Ponton playing point. They were doomed to disappointment, for the visitors proved an easy mark for the home boys. When time was called the score stood 3 to 0 in favor of the home team.

BERLIN WANTS ANOTHER GAME.

Berlin, Jan. 4.—This town has not recovered from the excitement produced by the hockey fiasco of Monday night. The public is complaining bitterly, and to all appearances the game will suffer materially. This afternoonn the Berlin management challenged Waterloo to play the game over on the Berlin rink or any other rink in Ontario, the same teams to play. Berlin is ready and anxiously awaits Waterloo's decision.

AFTER THE PUCK.

Britannias won from Parkdale II. by 9 to 1 last night.

Queen's hockey team is arranging a three days' trip, which will include Montreal, Ottawa and Brockville.

R. G. Fitzgibbon, of Rugby football fame, has gone to British Columbia, where he may be appointed official referee of hockey matches for the Province before his return.

Hamilton Evening Times – January 3, 1899

Mail and Empire: If the stories that emanate from the hockey war centre, Berlin and Waterloo, are to be believed, "Texas" Gilliard, of the Berlin seven, should be summarily yanked out of the game by the O. H. A., if that organization has any jurisdiction over exhibition matches.

Globe: The picked Toronto team saw the Waterloo-Berlin game on Monday, and were uniformly of the opinion that Berlin was to blame in the matter. The player who caused the trouble was justly ruled off by the referee, but refused to go.

Hamilton Evening Times – January 4, 1899

The untimely breath of spring that was felt yesterday was just sufficient to upset the calculations of the Victoria Hockey Club and make a rearrangement of dates necessary. The match between the Seniors and the Wellingtons, of Toronto, announced for to-night is off until some time next week. Present plans are to play the first O. H. A. junior championship match with the Parkdales here on Saturday night and the return match in Toronto some evening next week.

There will be an early practice of the Victoria Hockey Club to-morrow night.

Final arrangements have been made for the Parkdale juniors to meet the Victoria Juniors in an O. H. A. championship match at the Victoria Rink here on Saturday night.

Hamilton Evening Times – January 5, 1899

BERLIN DEFAULTS.

Stratford, Jan. 6.—The Berlin seniors were to have played their first championship game with the local seniors some time this wek, but Manager Ferguson received a message defaulting the game to Stratford.

TWO HOCKEYISTS HURT.

Toronto, Jan. 6.—While the Toronto Rowing Club Team was practicing last night at the Victoria Rink, Alex. Warden, of the Wellingtons, who was working out, tripped and fell, the back of his head striking the ice with terrific force. He was unconscious almost an hour. He also sustained a fracture of the thumb. He was removed to his home. It is thought that no serious results will follow. Barker, a Picton forward of last year, who was also practicing with the team, had his eye badly gashed, being struck with a stick.

Hamilton Evening Times – January 6, 1899

Players in good form and a good sheet of ice should make fine hockey at the Victoria Rink to-night, when the first game in the Ontario Hockey Association's junior series will be played, with the Parkdales and the Victorias as the opposing teams. The Vics have a good team made up as follows:

Goal, Morden; point, Henderson; coverpoint, Twiss; forwards, Armstrong, Lawry, Given and Moore; spare men, Dalton and McPhie.

It is likely that T. W. Windham will referee. The game will begin at 8 o'clock.

BEAMSVILLE BEATS DUNDAS.

Beamsville, Jan. 7.—The first game of the S. O. H. League for this season was played here last night between Dundas and Beamsville Clubs, resulting in an easy victory for Beamsville. The score stood 21 to 4. The players were:

Dundas—Howard, goal; Knowles, point; Finclayson, coverpoint; McMurchy, G. Markle, Higginson and W. Markle, forwards.

Beamsville—Fairbrother, goal; H. Robertson, point; H. Robinson, coverpoint; Beatty, Marrs, Boughner and G. Robertson, forwards.

NIAGARA FALLS WON.

Niagara-on-the-Lake, Jan. 7.—The hockey season opened here this evening with a match in the S. O. H. A. senior series between Niagara Falls and Niagara-on-the-Lake, and was witnessed by a crowd of about 600 enthusiasts. The rink here having been widened and enlarged, a much better game was put up than in former years. Goal nets were used for the first time and gave entire satisfaction. The score at the end of the hour's play was 8 to 5 in favor of Niagara Falls. The teams:

Niagara Falls—Mitchell, goal; Stephens, point; Cole, coverpoint; Mumford, Carter, Healey and Donley, forwards.

Niagara—Masters, goal; Campbell, point; Hartley, coverpoint; Sherlock, Reid, Bishop and Doritty, forwards.

BERLIN ON THE ROCKS.

Berlin, Jan. 7.—The trouble with which the hockey team has been threatened since the unfortunate fiasco of last Monday night, reached a climax yesterday when the team was left without a management. The inevitable course for the players to pursue now is to disband, which it is considered will be the outcome. The collapse of the team is keenly regretted, for, had it remained, it was assured the same support as ever. The situation is practically identical with that of last season. The game that was to have been played in Stratford to-night went to the team of that place by default. There is some talk of forming a new management, but the prospects are not bright.

CHASING THE PUCK.

Collingwood Juniors defeated Barrie II. in a Junior O. H. A. match last night.

At Barrie last night at the end of full time the score was one goal each. Collingwood refused to continue and Referee Burton Holland gave the game a draw and declared all bets off. He did not know his business.

Waterloo defeated T. R. C. by 9 to 5 at Waterloo last night.

Hamilton Evening Times – January 7, 1899

The hockey season was opened in this city on Saturday night, when the Victorias and Parkdale Clubs crossed sticks in the first game of the Ontario Hockey Association junior series. The game was played at the Victoria Rink and drew a fair crowd. The home team was outclassed, the visitors, who were much heavier, playing a splendid combination game, and it was to this fact that they won their decided victory, for, individually, some of the home team were faster than the visitors. The Vics'. forward line was lamentably weak, they having no combination, whatever, and their shooting was very erratic. In marked contrast to the work of the forwards was that of the defence, who put up a magnificent game. Capt. Henderson at point was the star of the evening, his work being brilliantly performed and his long shots aiding his side materially. Morden, for a new man, put up a good game in goal, and he had lots to do, the opposing forwards keeping him going continually with their hot shots on goal. Only for the brilliant work of these two, the score would have been much larger than it was. Individually, Armstrong and Given played well. Of the visitors, Capt. Belcher, Clemes and Menzies were the best, the shooting of Clemes being especially fine. The game was too one-sided to be interesting, and the spectators were glad when it was over. It was 8.40 when Capt. Belcher and Given faced off, and in 3 1-2 minutes Clemes had scored first blood for his side. It was but half a minute before Menzies added another; and after 8 minutes of open play, Clemes captured the third. The Vics. then woke up, and in 1 minute Armstrong scored the only goal of the half for his side. Clemes scored two more in 6 and 8 minutes respectively.

Capt. Belcher had his foot badly cut in this half, and the services of a doctor were required. Twiss went off with him.

The visitors had things pretty much their own way in the second half and scored repeatedly. Parish was ruled off for raising his stick above the regulation height, and Armstrong received a gash on the head, Murdock going off with him. Given came out second best in a collision and had to be carried off the ice. Though it would seem from the injuries received that the game was rough, it was not so, the play for the most part being open. The game was finished with only four men a side. The teams were:

Victorias.	Parkdale.
Goal.	
Morden	Myngay
Point.	
Henderson	Parish
Coverpoint.	
Twiss	Murdoch
Forwards.	
Armstrong	Belcher
Lawry	Clemes

The junior team is to play a return match with the Parkdales, at Toronto, the same night.

Hamilton Evening Times – January 9, 1899

Hamilton Evening Times – January 10, 1899

STRATFORD BEAT PARIS.

Paris, Ont., Jan. 11.—Paris lost to Stratford in a splendid exhibition game of hockey last night by a score of 6 to 4. The first half was closely contested, with nice, clean playing, the score at half time being 3 to 2 in favor of Paris. The last half was somewhat rougher, and the visitors had much the better of it, scoring 4 goals to Paris' 1.

COLLINGWOOD BEATS BARRIE.

LATE SPORTING NOTES.

HOCKEY MATCH TO-NIGHT.

To-night on a fine sheet of ice at Victoria Rink, head of Victoria avenue, the Wellington Hockey Club, of Toronto, will meet the senior seven of the Victorias in the first senior exhibition of the season. The Victorias will have the following team: Goal, Fisher; point, Henderson; cover-point, Wylie; forwards, Hillburn, Hault, McEachern and Yorrick. Armstrong will be spare man and W. R. Marshall will referee.

Hamilton Evening Times – January 11, 1899

About 300 spectators saw a fast game of hockey at the Victoria rink last night between the Wellingtons, of Toronto, and the senior seven of the Hamilton Victorias. It was the first game of the season for the Vics. and Capt. Ridley Wylie's men secured a very creditable victory. The local team has been practising pretty regularly, but only participation in hard games produces clean hockey players and scientific hockey, and therefore last night's game, though fast and, at times, very clever, was not finished team work. After a game or two more the Victorias will certainly play the best hockey of any team that has ever represented this city. The Wellingtons were in better form than the Hamilton boys. Though no faster they were quicker to turn and followed up more closely. They also showed better combination. The Hamilton boys, particularly Wylie, Hillburn and Hault were surer with the puck, and the speed and accurate shooting of Yorick and McEachern enable the local team to win.

Hamilton's defence work, particularly that of Henderson at point and Wylie at cover point, was first class. Fisher at goal stopped many a hot shot, but seemed a little nervous when there was a "push" or "scrimmage" around the goal. A few games will overcome that. That the forward work was pretty well divided is shown by the fact that Yorick, MacKelcan and Hault made three goals each, and Hillburn two. Yorick and McEachern are familiar to lovers of the game on account of their good work last year. Yorick is probably in the best form of any and his individual work was first class. He played combination consistently, too. McEachern seemed to be the freshest of the bunch at the finish. Hillburn and Hault are new men and both are good ones. Hillburn's work in the first half was brilliant, but his bellows were shy on wind in second half. Just another game or two will put him into shape. Hault played the game well from beginning to end.

For the visitors, the combination work of LaMaitre and Tandy was beautiful to watch. Those two were the stars of the game, but the goal-keeping of Ardagh and point work of Fenson were wonderful. The way the pair stopped the Victorias' shots was very neat.

Victorias started out fast, and goals were made quickly, but towards the end of first half, when the score was 6 to 2 in Hamilton's favor, the pace began to tell, and the Wellingtons rushed in three goals, bringing the score at half time to 6-5. In second half the visitors tied the score before many minutes, but the locals finished the strongest, and made five goals to their opponents' three, making the final score 11 to 8, in Victorias' favor. The teams, officials and scores were:

Victorias.	Wellingtons.
Goal.	
Fisher	Ardagh
Point.	
Henderson	Fenson
Coverpoint.	
Wylie	Milne
Forwards.	
Hillburn	LaMaitre
Hault	Tandy
McEachern	Flaws
Yorick	Sweatman

Referee—W. R. Marshall.

Goal judges—W. M. McKay and Hendrie Leggat.

Time-keepers—F. A. Passmore and W. R. Rowland.

First half:

1. Victoria, Hillburn, 3.
2. Wellington, LaMaitre, 1-2.
3. Victoria, Yorick, 2.
4. Victoria, Hault, 1.
5. Wellington, Tandy, 5 1-2.
6. Victoria, Hillburn, 1.
7. Victoria, McEachern, 1.

8. Victoria, Hault, 1.
9. Wellington, Tandy, 3 1-2.
10. Wellington, LaMaitre, 1.
11. Wellington, LaMaitre, 1 1-2.

Second half:

12. Wellington, Flaws, 2.
13. Victoria, Yorick, 6.
14. Victoria, McEachern, 3.
15. Wellington, Tandy, 3.
16. Victoria, Hault, 1.
17. Wellington, LaMaitre, 2.
18. Victoria, Yorick, 4.
19. Victoria, McEachern, 3.

There was some roughness in the game. Milne used his stick like a woodchopper does his axe once in a while, and he and Yorick were ruled off for five minutes in first half. Fisher, the home goal-keeper, was very rough with his stick several times.

BEAMSVILLE WON.

Beamsville, Ont., Jan. 12.—An exhibition game of hockey between Beamsville and Grimsby Clubs was played at Grimsby last night, resulting in a score of 5 to 1 infavor of the visitors.

AT BRANTFORD TO-MORROW.

The Victoria Hockey Club will send a team to Brantford for a match tomorrow night. The players and rooters will leave on the 5.45 T., H. & B. train. A round trip fare of $1 has been secured.

Hamilton Evening Times – January 12, 1899

AFTER THE PUCK.

Hamilton Victorias go to Brantford to-night, leaving on the C. P. R. 5.45 train to play the first Central Ontario senior championship match.

In the O. H. A. junior series, Stratford defeated London last night by 11 to 7.

Waterloo Juniors defeated Guelph by 17 to 11 in an O. H. A. game.

Seaforth defeated Goderich by 6 to 4.

Here is a pointer for the Victoria Club management: In Winnipeg the rink authorities have put a stop to the pernicious practice of slapping sticks on the boards of the side, a style of rooting effected by a lot of well-meaning but misguided youths. Horns are also barred.

LATE SPORTING NOTES.

TO-NIGHT'S HOCKEY GAMES.

All four teams of the Central Ontario Hockey Association play their opening game this evening. Hamilton Victorias play at Brantford, and Paris at Woodstock. W. T. Miller, of this city, will referee the Woodstock-Paris game, and the Brantford game will be taken by a Paris man.

Hamilton Evening Times – January 13, 1899

Two hockey matches were played last night in the Central Ontario League, the winners being Brantford in the Hamilton-Brantford game, and the old S. O. H. A. champions, Paris, in the game at Woodstock. They were the first games in the new league championship series, and both were well attended, showing that the game is booming in the cities where the contests took place.

As far as the game at Brantford went a more miserable exhibition of hockey could not have been imagined, principally on account of soft ice, and a referee, who, while perfectly fair and favoring neither side, was never in the game, and allowed off side and other illegal play with very little attempt to stop it. About 25 people accompanied the Victorias to the "Hello"

city, and about 700 people were at the game. The ice was good at the start, but within 15 minutes the heat from the warm crowd that was present and the cutting of the skates had made three inches of slush on the surface, and combination play was impossible. The Brantford boys were much bigger and stronger than the Victorias and proved fast and handy. They were also in better condition. In first half Hamilton failed to score and Brantford got three goals. During this half, Henderson, of the Vic's., and Gilmour, of the Brants, were laid off for scrapping. In second half the home players secured two more goals, making five before the Victorias got one. Then the Hamilton boys held their own for the balance of the game. In this half, Codling, of the home team, had his neck cut in some way, and Stephenson and Hault were laid off. The teams, officials and scores were:

Hamilton.		Brantford.
	Goal.	
Fisher		Coyle
	Point.	
Henderson		Codling
	Cover-point.	
Wylie		Dempster
	Forwards.	
Hillburn		Bredin
Hault		Schultz
McEachern		Stephens
Yorick		Gilmour

Referee, A. Fraser, Paris.

Goal judges, Muir, Brantford, and Weatherston, Hamilton.

The scoring:

1—Brantford, Dempster, 3 min.
2—Brantford, Bredin, 11 min.
3—Brantford, Bredin, 1 1-2 min.
4—Brantford, scrimmage, 3 min.
5—Brantford, Schultz, 4 min.
6—Victoria, Yorick, 2 min.
7—Brantford, Bredin, 3 min.
8—Victoria, McEachern, 6 min.
9—Brantford, Bredin, 9 min.
10—Brantford, Schultz, 2 min.
11—Victoria, Hillburn, 1-2 min.

PARIS BEAT WOODSTOCK.

Woodstock, Jan. 14.—Considering the condition of the ice the game here was fast, as after five minutes' play the score was two all, and so remained until half time. Paris scored two goals in rapid succession in the second half. Woodstock then scored two goals, tieing the game. Two minutes before time Paris scored again, which, after strong protest, was allowed. Woodstock put the puck through one-half minute before time but it was disallowed by the referee on an off-side. Score 5 to 4. The home team had considerably the best of the play throughout. The referee was T. W. T. Miller, of Hamilton. The teams:

Paris—Gray, goal; Howell, point; Wilson, coverpoint; Brown, Lydon, Adams, Nunn, forwards.

Woodstock—McClurg, goal; Brown, point; Miller, coverpoint; Wilkinson, Pascoe, McLennan, Jardine, forwards.

TO-NIGHT'S HOCKEY MATCH.

Hamilton Evening Times – January 20, 1899

VICTORIAS WON OUT.

The fastest and roughest hockey match of the season was that played at the Victoria Rink last night between the Hamilton Victorias and the Woodstock team. The home team won out at the last minute and deserved the victory. Every man on the team played to win, realizing that the odds were against them. They were not near so heavy as the visitors; they did not play as good a combination in the first half, but their individual work was good, and they are worthy of great praise for the victory. There was a long delay in starting the game, and the crowd present became quite restless before the referee, Mr. W. J. O'Neail, of Paris, blew his whistle for play to begin. The teams lined up as follows:

Victorias—Goal, Fisher; point, Logan; cover point, Wylie; forwards, Hillburn, Hault, Yorick, Armstrong.

Woodstock—Goal, McLarg; point, Brown; cover point, Wilkinson; forwards, Pascoe, McLellan, Galloway, Miller.

F. A. Passmore was time-keeper, Hendrie Leggat was goal judge for Hamilton, and J. Flynn for Woodstock. In the first half the visitors played good combination and had much the better of the play, although they did not succeed in scoring much more frequently than the Victorias did. Hamilton got the first goal after 11 minutes' fairly open play, Hilburn, assisted by Yorick, doing the trick. There was nine minutes' play before the puck again went between flags, and this time the goal was for Woodstock, Galloway, a colored man, who was called "Augustus Holland" by the small boys, putting it through from a shot from centre. The visitors got two more goals and the home team one goal before time was called. The score here was 3 to 2, in favor of Woodstock.

The good showing made by the visiting team gave their followers, about a dozen in number, confidence, and some of them went among the spectators offering to bet 2 to 1 on them.

In the second half the Hamiltons started in to play faster, and the visitors rougher, and quite a number of sticks were broken. The rubber went from end to end almost aimlessly, and after seven minutes travelled through Woodstock's goal, Hault making a pretty shot. Hilburn repeated the trick a minute later, and Wylie followed suit after three minutes' play. This seemed to rattle the visitors, who began to play like madmen. One of the visitors intentionally struck Weatherston, goal umpire, and he retired, E. Pringle taking his place. Then there was a "reversal of form," and the visitors got three goals in quick succession, McLellan making each of them. After nine minutes' play Hilburn got a goal for Hamilton and tied the score, making it 6-6. Just after the rubber was put in play it was "lifted" high by a Victoria player, and it went through an east window. There was just two minutes more to play after this, and the puck was at Woodstock's end. So were all the players but one, Hamilton's goal keeper, and after a minute and a half's "shinneying" it was put through the flags by Armstrong. Neither team scored in the remaining half minute's play. Here is a summary of the goals:

1—Victoeias, Hilburn, 4 min.
2—Woodstock, Galloway, 9 min.
3—Woodstock, McLellan, 1 min.

The Victoria Hockey Club, of this city, won a double victory last night when its senior seven played at Beamsville and the second team at Grimsby.

At Beamsville—After the first two or three minutes, the game was never in doubt. The Vics'. clever forwards, by pretty combination and fast skating, carried the puck through their opponent's line whenever they liked, raining shots on the Beamsville goal keeper. Hilborn, of the Vics, was easily the star of the evening, accepting the centre passes from all the forward line, and tallying the Vics'. goals in rapid succession. The teams were:

Hamilton Evening Times – January 27, 1899

VICTORIAS AT PARIS.

Although the Victoria Hockey Club team suffered defeat at the hands of the Parisians last night by the score of 7 to 2 goals, it was not a defeat to be ashamed of. The Paris hockey team has always had the name of being one of the best in the country and on its own rink is nearly invincible. The fast skating and sure passing proved too much for the Vics., who, although individually as good as any of the Paris team, have not had enough practice to make them play the game properly. However, the Vics. are rapidly getting into shape, and are quite certain of winning all the remaining games in the schedule. The locals started out confident of making a hard fight of it, and two minutes after play began Armstrong, Hilborn and Yorick by a pretty play carried the puck through their opponents' goal. The Paris goal judge, however, hadn't his good eye on the puck, and refused to allow the goal, for goal it was, as the referee himself said it went through. Paris was successful in landing a goal in the next two minutes, and the Vics. also put the puck through in the next minute. The good eye of the goal judge was again missing, and the locals were forced to request a new goal judge. It only took the Vics. a minute to shoot their next goal, which proved to be their last in the first half, and Paris was successful in scoring two more before the whistle blew. Score, Paris 4, Victorias 1 allowed, 3 made.

Every man on the Victoria team worked like a Trojan, but Howell and Rousell checked their rushes time and time again. It was only towards the latter half of the game that Wylie, by a clever lift from the middle of the rink, scored the second and last goal allowed for the Victorias. The teams and score:

Paris.		Victorias.
	Goal.	
Gray		Fisher
	Point.	
Howell		Logan
	Coverpoint.	
	Forwards.	
Adams		Hilborn
Mauer		Hault
Brown		Yorick
Layden		Armstrong

Referee—Muir, of Brantford.

Goal Judges—G. Tait, T. Ryan and T. Morrison.

Timekeepers—T. W. Wyndham.

Goals scored and by whom:

Paris, 4 minutes.
Victorias, 5 min., Hilborn.
Paris, 10 min., Adams.
Paris, 7 min., Mauer.
Paris, 3 min., Adams.
Half-time—4-1.
Paris, 9 min., Adams.
Paris, 4 min., Mauer.
Paris, 9 min., Layden.
Victorias, 7 min., Wylie.
Full time—7-2.

LITTLE PUCKS.

It was the hardest fight the Paris players have ever had on their own ice.

The locals are confident of winning the remaining games of the series.

Hilborn and Wylie are two of the best players in the country.

The Vics. will play St. Catharines at St. Kitts on Tuesday night.

Hamilton Evening Times – February 14, 1899

The famous hockey team of Guelph, the Nationals, played an exhibition match with the Victorias, of this city, at the Victoria rink last night, and succeeded in defeating them, by the score of 8 goals to 6. At half-time the score was 5 to 3 in favor of the Nationals. For an exhibition game it was the fastest played here this season, and rather rough, two of the players being injured. Snell, of the visiting team, was hurt by being "fenced" by Hault, and the speedy local player, Hilborn, was put out of the game early, by getting his back wrenched in the same manner. The local team was badly handicapped by the absence of three of its best players—Yorick, Armstrong and Wylie. The absence of Yorick and Armstrong from the team broke the combination, and Wylie was missed when it came to stopping the brilliant rushes of the visitors' forwards. The defensive work of the Victorias was almost perfect, the stopping of a number of hot shots on goal by Fisher being phenomenal, while Henderson at cover played his usual good game, his lift of a goal from the centre of the ice and his lift through the electric light globe being two features of the game. Marshall, the old reliable, played his usual star game, and Hault also played well when he was not off for rough play. The forwards of the visitors are all speedy skaters and good dodgers, and their combination work was far superior to that of the home team. The puck was faced off by Marshall and Carmichael, and after travelling up and down the ice for a few minutes was secured by Snell, who shot it past the Vics'. goal just 1 1-2 minutes after the start.

After the puck was again off the play remained in the vicinity of the National's goal, but the Vics. were unable to score. Howitt's lift relieved his side, and, transferring the play to the Vic's. goal, Carmichael securing the puck and shot at goal, but it hit the goal-keeper and bounced over his head, but the goal judge allowed it to score. During this game Hault was ruled off for 5 minutes for fouling Snell. The next

The Victorias now started to wake up and secured the next two goals, Henderson lifting the puck from the centre of the ice for the first goal, and a pretty piece of individual play by Marshall tallying the second after Hillborn had retired from the game, being body-checked into the wall.

The Nationals had managed to get another man on the ice to take Snell's place, and had played 7 men to the Victorias' 6. Under these conditions they scored a goal, but it was disallowed, but they immediately afterwards got another. The Victorias and Nationals each scored another goal before half-time was called.

The game was fast and furious in the second half, the puck travelling up and down the ice, but was finally secured by Shields, who passed to Carmichael, the latter shooting a goal. The Victorias started to play better combination, Marshall, Given and Hault carrying the puck the length of the ice, the last named shooting a pretty goal.

The next game also went to the Victorias, Marshall getting past all of the opposing players and scoring a goal, after Howitt and Hault had been sent to the fence for "scrapping." The next two games went to the Nationals.

Marshall scored the next and last goal, the game being called with nearly four minutes to play, owing to the puck breaking the electric light globe, and there being a liability of some player falling and getting cut on the broken glass.

Those who played and scored were:

Nationals (8).	Victorias (6).

CHAMPIONSHIP HOCKEY TO-NIGHT

For the championship hockey match on the Victoria ice to-night between the Victoria sand Brantford, the Vics. will again have the services of the reliable Wylie at coverpoint. Hilborn will play if he is in good shape, otherwise the team will be: Goal, Fisher; point, Henderson; coverpoint, Wylie; forwards, Hault, Marshall, Yorick and Armstrong. The game is timed to start at 8 o'clock.

MONTREAL WINS FIRST.

Montreal, Feb. 16.—The Victoria hockey team defeated the Winnipeg Victorias in the first of the series for the Stanley Cup last night, after one of the most hotly-contested matches ever witnessed in Montreal. The score at the finish stood 2 to 1 in favor of the Montreal team. Up to within a minute of the finish the score stood 1 to 0 in favor of Winnipeg, but within the last minute the Montrealers scored two games in quick succession. The Winnipegers had decidedly the best of the playing in the first half and played a very hard and fast game. After ten minutes' playing Gingras scored the first game for Winnipeg. Cain Davidson was hurt early in the game, receiving a bad blow in the face. In the second half the Montrealers woke up, Bain, the star man of the Winnipegs, wa shit in the face by the puck and received such a bad cut that he had to retire. His place was taken by Armitage. In the second half the visitors played a defence game, and succeeded in keeping their advantage until success seemed certain, when the Montrealers rushed the puck down and McDougall scored a game in 29 minutes. The Montrealers scored another game in 30 seconds, thus winning the match by 2 to 1.

QUEEN'S BEATS 'VARSITY.

Toronto, Feb. 16.—The first game in the final round of the Senior O. H. A. series was played at the Victoria Rink last night by Queen's and 'Varsity. It was won by the Kingston players in the easiest kind of a way. Score, 9 goals to 3. In first half the score was 4 to 3 in Queen's favor.

NIAGARA BEAT WELLAND.

Niagara, Ont., Feb. 16.—A hockey match in the senior series of the S. O. H. A., was played here to-night between Niagara-on-the-Lake and Welland. The game, which was very fast and free from all rough play, was won by Niagara by 12 to 0. Following is the standing of the league:

	Won.	Lost.	To Play.
St. Catharines... ...	7	2	1
Niagara Falls	6	2	2
Beamsville...	5	4	1
Welland	4	4	2
Niagara...	4	4	2
Dundas...	0	10	Defaulted

Hamilton Evening Times – February 16, 1899

To say that Brantford defeated the Victorias at hockey last night would be putting it quite mildly. The visitors literally wiped the ice with the local players, and when they were through once, started in again. The match was about as rough as any played here this season, continued body-checking and slashing being practised by both teams, and it seemed wonderful that no player was injured throughout the game. The local team was very much handicapped by the absence of Capt.

Hilborn and Henderson, who have not recovered from the game with the Nationals. What little combination play there was in the game was done by the Brantford forwards, who went in like a pack of tigers and had the Vics. at their mercy after the first five minutes. Wylie at coverpoint played a splendid game, while Marshall and Fisher in their respective positions worked hard to turn the score. The largest crowd that has ever been in the rink witnessed the game, and along with about 90 rooters from Brantford helped to cheer on the boys.

The visitors took some time in getting ready, and it was about 8.30 before Referee Howell, of Paris, got the teams lined up.

LITTLE PUCKS.

The Vics'. combination was broken up by the absence of Hilborn.

The defence of the visitors was perfect.

During the game the electric lights were so bad that half the game was played in comparative darkness.

OTHER HOCKEY GAMES.

At Guelph last night the Nationals, of that place, defeated the Listowel team by 7 to 3.

Waterloo defeated Stratford at Waterloo by 5 goals to 1 last night.

Hamilton Evening Times – February 17, 1899

THE JUNIOR CHAMPIONS.

Toronto, Feb. 18.—The St. Georges wrested the junior O. H. A. championship from Upper Canada College last night in the final game in the series, at the Mutual Street Rink, before a fairly large crowd, made up mainly of the red-hot juvenile portion of both teams, liberally garnished with either the yellow and black of the Saints, or the blue and white of U. C. C. The ice was soft and watery, and interfered with the combination and skating of the teams. The score was 7 to 2.

WILL LOSE CAPTAIN BAIN.

Montreal, Feb. 18.—The Winnipeg Victoria hockey team will be without its star forward to-night, and can hardly win against the Montreal men in the second match for the Stanley Cup. Captain Bain, of Winnipeg, who had his eye injured at Wednesday night's game, will be unable to play. Dr. Buller, specialist, has examined the eye and says it is seriously injured. It is on his advice that Bain will not play. There is a hemorrhage behind the eye, and it would be dangerous to play another hard match.

SAINTS ARE CHAMPIONS.

St. Catharines, Feb. 18.—The old Drill Shed, which has been converted into a hockey rink, was crowded last evening to witness a championship match in the S. O. H. League between St. Catharines and Niagara Falls. The game, while swift and free from rough playing, proved to be greatly in favor of St. Catharines, the Saints winning by a score of 13 to 3, and clinching the championship. While St. Catharines scored 8 goals in the second half, Niagara Falls failed to score any.

Hamilton Evening Times – February 18, 1899

GAME GIVEN TO MONTREAL.

Montreal, Feb. 20.—As a result of a dispute the second match for the Stanley Cup, between the Victoria Hockey Club, of Winnipeg, and the Victorias, of Montreal, was given to the Montreal team by the referee, the Winnipeg team taking exception to a ruling of the referee and refusing to play out the match. The match, aside from the dispute, was a capital one, and was witnessed by at least 7,000 people. The score was two-all in first half. In second half Montreal scored one goal and then the Winnipeg team left the ice because the referee would not put off a Montreal player who was slashing a Winnipeg man. The referee went home without giving a decision, but returned an hour later and ordered the Winnipeg team to play. His order was disobeyed, and he awarded the game to Montreal.

Hamilton Evening Times – February 20, 1899

TRUSTEES WON'T INTERFERE.

Ottawa, Feb. 21.—The Winnipeg hockey team asked the trustees of the Stanley Cup to give a decision owing to two of their men being injured and not able to play any more this season, that would leave matters the same as when they came to Montreal. The trustees, after considering the Winnipeg statement, decided to do nothing whatever. The view of the trustees is this: Their business is to arrange playing conditions for the cup when people want to play for it. The trustees have nothing to do with the betting and want nothing to do with it. The last clause of the Winnipeg statement, namely, asking the trustees to leave the matter as it stood before the western team came to Montreal, seems to the trustees to mean, if it means anything, that the trustees are expected to call the contest off, which again would mean that bets would be off. The trustees decline either to call the contest on or off. They simply have nothing to say.

The Stanley Cup, therefore, goes to the Montreal Victorias again.

HOCKEY NOTES.

Last night's Welland-Niagara Falls game, scheduled for Niagara Falls, was cancelled, Welland sending word that its team could not go.

The Intercollegiate hockey match between the 'Varsity hockey team, of Toronto, and the McGill hockey team, played last night at Montreal, resulted in a victory for the McGill team by 8 to 4.

Hamilton Evening Times – February 21, 1899

ODDS AND ENDS OF SPORT.

The London Hockey Club defeated the Guelph Nationals by 6 to 4 last night.

At Brockville last night 'Varsity defeated Brockville by 2 to 0.

Hamilton Evening Times – February 22, 1899

ODDS AND ENDS OF SPORT.

Winnipeg hockeyists yesterday decorated the grave of Fred. Higginbotham, a former member of the Winnipeg Victorias, at Bowmanville.

Fred. Chittick, the Ottawa Rugby football and hockey player, accuses the Ottawa hockey club of professionalism and promises to expose some of the members of the executive.

Hamilton Evening Times – February 23, 1899

Kingston, Feb. 24.—Notwithstanding the soft weather of the past few days, the ice at the covered rink was in good condition for the Queen's-Varsity championship hockey match last night. Over 1,000 people witnessed the game. In the first half both teams worked hard for victory, the score standing 7 to 3 in favor of Queen's.

In the second half the Toronto men made matters warm for Queen's, Darling particularly making brilliant plays. The match ended in favor of Queen's by 10 to 8, and the round by 19 to 11.

At the conclusion of the game the visitors were entertained to a banquet at the British American Hotel. J. Ross Robertson, M. P., was present and presented the championship cup to the victors.

WATERLOO 11, T. R. C. 2.

Waterloo, Feb. 24.—The Waterloo hockey seven clearly demonstrated its superiority over the T. R. C. aggregation here last night, by defeating the Toronto club by a score of 11 goals to 2. The goal nets were again used, and gave good satisfaction. Of the thirteen goals scored, only one was disputed. The T. R. C. turned up with only six men reporting, their seventh man had missed the train in

Guelph. With six men a side the game started off fast. Half time ended with a score of 6 to 2 in favor of Waterloo.

AFTER THE PUCK.

At Rat Portage yesterday the Winnipeg Victorias defeated Rat Portage by 5 to 2.

Collingwood and the Kingston Frontenacs play the O. H. A. intermediate semi-final game at Toronto to-night.

The Guelph hockeyists are looking for grounds on which to protest against London being allowed to count the game won by it last Tuesday.

Hamilton Evening Times – February 24, 1899

FRONTENACS BEAT COLLINGWOOD

Toronto, Feb. 25.—The Frontenacs, of Kingston, and Collingwood met in the Caledonian Rink last night to settle the semi-final for the intermediate championship of the O. H. A., and the Limestone City seven won by 3 to 2. The game was clean and fast. Frontenacs scored two goals and Collingwood one in the first half and each side scored one in second half, the Frontenacs thus winning by 3 to 2.

The final will be played next week between the Frontenacs and Londons.

WOODSTOCK BEAT BRANTFORD.

Woodstock, Feb. 25. —Brantford's hockey team met its Waterloo here last night in a schedule C. O. H. A. game by a score of 17 to 1. At Brantford, by the aid of six umpires and one policeman, Brantford defeated Woodstock by 10 to 7, but in the game last night the locals played an exceptionally fast combination game, and the defence allowed but one Brantford rush to come to a successful conclusion. Brantford prevented a whitewash just five minutes before time was called.

WATERLOO'S CHALLENGES.

Waterloo, Feb. 25.—The Waterloo senior hockey seven has challenged the Peterboro' seniors to a game of hockey, to be played in the Mutual street rink, Toronto, and has also challenged the 'Varsity Hockey Club for home and home games. If Waterloo wins the "Big 4 League" championship it will enter a challenge for the Stanley Cup.

PARIS HERE ON MONDAY.

What will probably be the last and the best championship hockey match of the season in this city will be played on the Victoria Rink on Monday night, when the champion Paris team will be here. The Victorias will put on the ice the strongest team they have ever had, for this match, and all lovers of the game should be on hand to cheer the boys.

Hamilton Evening Times – February 25, 1899

TO-NIGHT'S HOCKEY MATCH.

The Victorias have made special efforts to get together a strong team for the final championship hockey match of the season which will be played to-night on the Victoria ice, and the club management hopes to see the largest crowd of the season present. The Paris team is undoubtedly the best in this part of the country. The Hamilton team will be: Fisher, goal; Henderson, point; Johnston, cover-point; Wylie, Hilborn, Yorick, Swift, forwards. Muir, of Brantford, will referee.

VICTORIAS BEAT MONTREAL.

Montreal, Feb. 27.—A crowd of about 1,000 spectators witnessed the Victorias defeat Montreal on Saturday night by a score of 10 to 6. The Victorias will have to play better hockey than they did on Saturday night if they wish to beat the Shamrocks. Everyone on the Shamrock forward line is a scorer.

OTHER HOCKEY GAMES.

At Ottawa on Saturday the Capitals and Brockville played without scoring, the defense work being perfect. This gives the round to Brockville, which won the first game by 2 to 1.

Quebec beat Ottawa by 4 to 3 on Saturday.

Hamilton Evening Times – February 27, 1899

The sport-loving people of Hamilton crowded Victoria Rink last night and saw the crack hockey team from Paris defeat the Victorias in the last game of the C. O. H. A. series by a score of 14 to 9. Many people thought that the locals would win, owing to the fact that the team was to be strengthened, but, as it happened, the very opposite was the case. Marshall was unable to play, owing to illness, and was greatly missed from the team. Yorick could not get in the game until late, so a junior was played in his place, and thus weakened the forward line. Wylie played cover-point until Henderson got to the rink, and then he was moved up to the forward line, where he played his usual brilliant game. Captain Hilborn was in the game from the first, and had the same forwards been playing with him in the first half that were with him the second half, the score would certainly have been reversed. Givin, a junior, played an excellent game in the second half. When Yorick jumped into the game in the second half, replacing Trusdale, the boys collected their energies and did more team play, and for a time the general aspect of the game was changed. The defence was greatly strengthened by J. Henderson, who played cover-point. He was undoubtedly the best man on the ice, and the way he stopped some of the rushes of the Parisians was marvellous. The locals' goal was ever

threatened during the first half, but Fisher, bringing his feet together in the shape of a broad wedge, kept his ground and several clean shots, straight for his posts, were repulsed, with good effect. For the visitors, Howell, Adams and Taylor were always conspicuous. Under the circumstances, the locals are to be congratulated on the team they put on the ice, four men who were to figure on the team were unable to play, and to the last minute Secretary Morrison was doing his best to put a first-class team on the ice. It was nearly 9 o'clock when the teams lined up to the sound of Referee Farnsworth's whistle, as follows:

Paris.	Hamilton.
Goal.	
Grey	Fisher
Point.	
Howell	Henderson
Cover-point.	
Rousell	J. Henderson
Forwards.	
Adams	Wylie
Mauer	Hilborn (Capt.)
Taylor	Yorick
Brown	Givin
	Truesdale

Referee—Mr. Farnsworth, Woodstock.

Timekeepers—F. A. Passmore, T. Ryan.

During the first half Paris had decidedly the best of the game, and the locals' defence was kept busy. After about fifteen minutes' play Henderson went to cover and Wylie to the forward line, and things looked better for the locals. By neat combination work the locals succeeded in scoring three goals, and the first half ended with the score 6-3 in favor of Paris. In the second half Yorick replaced Truesdale, and the change had a good effect on the boys; rush after rush followed, and for a time it looked as if the Vics would win out. The boys outplayed the Parisians at the last, and it was only Howell's superb work at point that saved them the game. The goals were scored as follows:

First half:
1—Paris, Brown, 4 min.
2—Paris, Mauer, 6 min.
3—Paris, Mauer, 1 min.
4—Victoria, Givin, 1-2 min.
5—Paris, Brown, 1 min.
6—Paris, Mauer, 1 1-2 min.
7—Victoria, Hilborn, 8 min.
8—Paris, Taylor, 5 min.
9—Victoria, Truesdale, 1-2 min.
Second half:
10—Paris, Brown, 1 1-2 min.
11—Victoria, Givin, 5 1-2 min.
12—Paris, Adams, 1 min.
13—Paris, Adams, 3 1-2 min.
14—Paris, Taylor, 3 1-2 min.
15—Paris, Taylor, 1 1-2 min.
16—Paris, Taylor, 1 min.
17—Victoria, Hilborn, 1-2 min.
18—Victoria, Henderson, 1 min.
19—Victoria, Hilborn, 1-2 min.
20—Victoria, Givin, 1-2 min.
21—Paris, Taylor, 2 min.
22—Victoria, Hilborn, 1 1-2 min.
23—Paris, Adams, 4 1-2 min.

Henderson, at point, played his last game with the locals, as he is going to the Orangeville branch of the Bank of Hamilton.

Truesdale consented to go on the team the very last minute.

Fisher in goal made some phenomenal stops, and some very doubtful goals were shot, and many disinterested spectators declared that the puck passed several inches from the posts, indicating the value a goal cage would be if adopted by the association.

The Parisians were greatly handicapped, owing to the fact that their outfit was burnt after their last game in Paris.

Hamilton Evening Times – February 28, 1899

HOCKEY NOTES.

The Guelph Nationals' protest against London being allowed to count the O. H. A. intermediate championship game of last week will be decided to-night.

The Frontenacs, of Kingston, have refused to meet the Nationals, of Guelph, before the National-London protest is decided.

Guelph Nationals defeated Waterloo by 10 to 6 last night.

BRANTFORD PROTEST.

Secretary Morrison, of the Central Ontario Hockey Association, received notice from Brantford this morning that the club of that city protested the game of the 24th February, Brantford vs. Woodstock, played at Woodstock, and won by the home club by 17 to 1. The ground of protest is that the Woodstock club played Miller and Brown, who had played with the Beamsville team of the S. O. H. A., and Maltman, who had been a member of the Listowel team in the O. H. A., against the provisions of the C. O. H. A. constitution. If the game should be awarded to Brantford and the game of last night at Ingersoll counted for Woodstock, the Brantford and Paris teams would be tie in the league race.

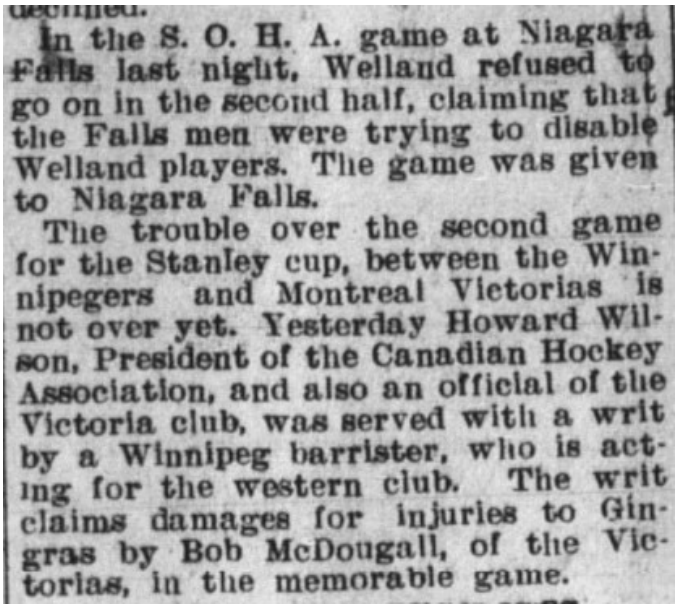
Hamilton Evening Times – March 1, 1899

FOLLOWING THE PUCK.

In the presence of 7,000 people the Shamrocks, of Montreal, last night defeated the Victorias, of the same city, for the championship of Canada by 1 to 0. The Victorias had held the championship five years.

The protest of the Guelph Nationals against London has been allowed, and the Nationals have been ordered to play off at London to-morrow night.

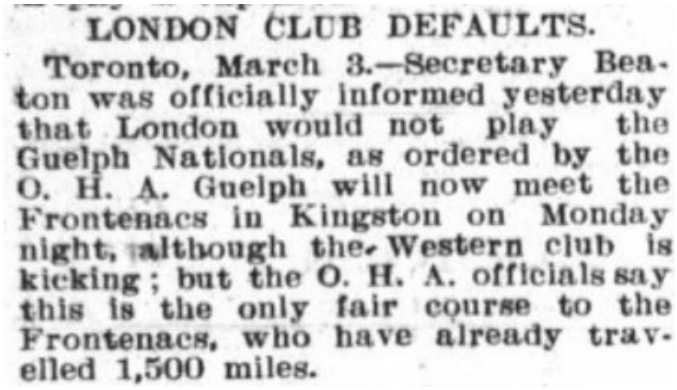
London offered the Frontenacs, of Kingston, $100 and expenses for ten men to play the O. H. A. intermediate final at London, but the Frontenacs declined.



In the S. O. H. A. game at Niagara Falls last night, Welland refused to go on in the second half, claiming that the Falls men were trying to disable Welland players. The game was given to Niagara Falls.

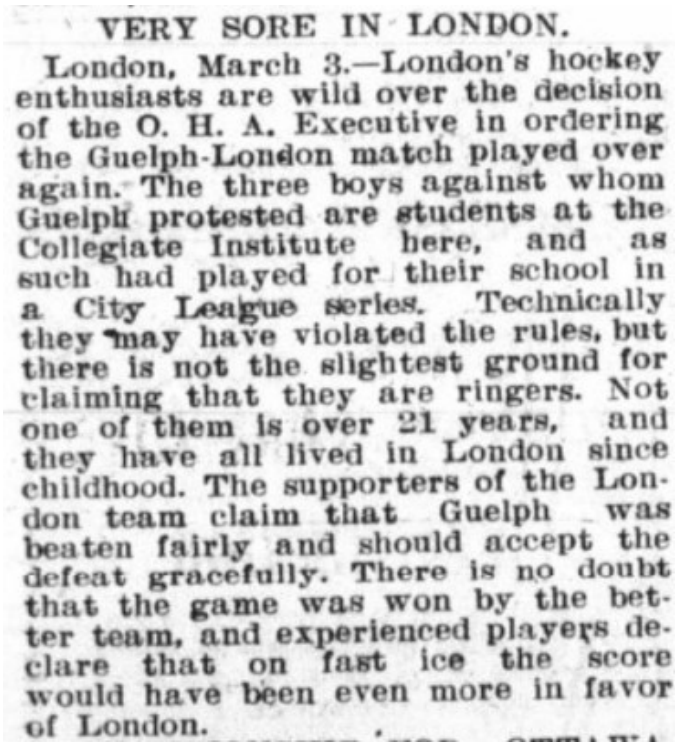
The trouble over the second game for the Stanley cup, between the Winnipegers and Montreal Victorias is not over yet. Yesterday Howard Wilson, President of the Canadian Hockey Association, and also an official of the Victoria club, was served with a writ by a Winnipeg barrister, who is acting for the western club. The writ claims damages for injuries to Gingras by Bob McDougall, of the Victorias, in the memorable game.

Hamilton Evening Times – March 2, 1899



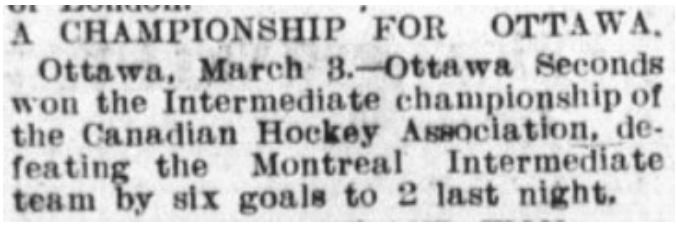
LONDON CLUB DEFAULTS.

Toronto, March 3.—Secretary Beaton was officially informed yesterday that London would not play the Guelph Nationals, as ordered by the O. H. A. Guelph will now meet the Frontenacs in Kingston on Monday night, although the Western club is kicking; but the O. H. A. officials say this is the only fair course to the Frontenacs, who have already travelled 1,500 miles.



VERY SORE IN LONDON.

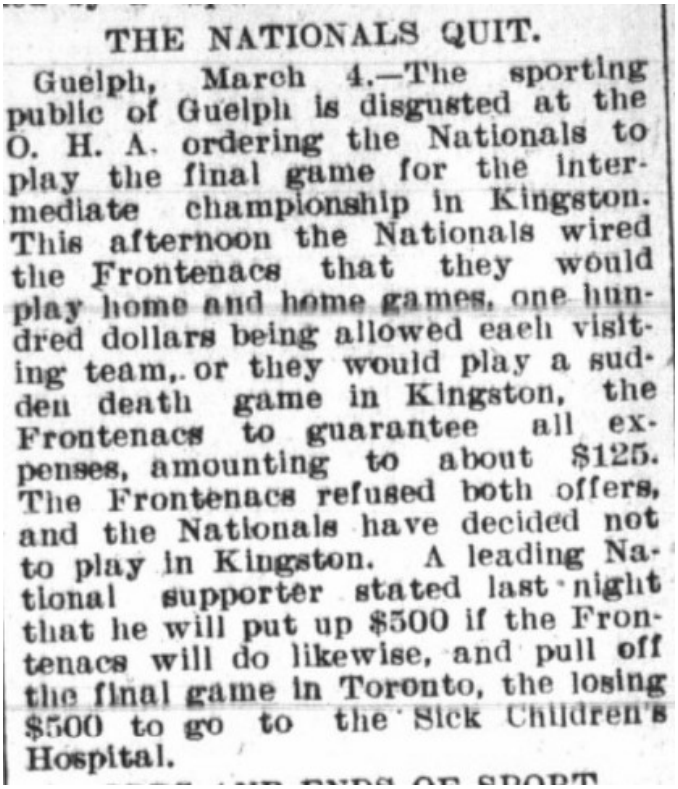
London, March 3.—London's hockey enthusiasts are wild over the decision of the O. H. A. Executive in ordering the Guelph-London match played over again. The three boys against whom Guelph protested are students at the Collegiate Institute here, and as such had played for their school in a City League series. Technically they may have violated the rules, but there is not the slightest ground for claiming that they are ringers. Not one of them is over 21 years, and they have all lived in London since childhood. The supporters of the London team claim that Guelph was beaten fairly and should accept the defeat gracefully. There is no doubt that the game was won by the better team, and experienced players declare that on fast ice the score would have been even more in favor of London.



A CHAMPIONSHIP FOR OTTAWA.

Ottawa, March 3.—Ottawa Seconds won the Intermediate championship of the Canadian Hockey Association, defeating the Montreal Intermediate team by six goals to 2 last night.

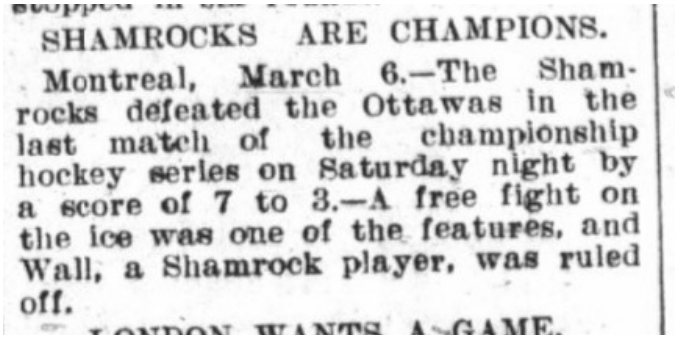
Hamilton Evening Times – March 3, 1899



THE NATIONALS QUIT.

Guelph, March 4.—The sporting public of Guelph is disgusted at the O. H. A. ordering the Nationals to play the final game for the intermediate championship in Kingston. This afternoon the Nationals wired the Frontenacs that they would play home and home games, one hundred dollars being allowed each visiting team, or they would play a sudden death game in Kingston, the Frontenacs to guarantee all expenses, amounting to about $125. The Frontenacs refused both offers, and the Nationals have decided not to play in Kingston. A leading National supporter stated last night that he will put up $500 if the Frontenacs will do likewise, and pull off the final game in Toronto, the losing $500 to go to the Sick Children's Hospital.

Hamilton Evening Times – March 4, 1899



SHAMROCKS ARE CHAMPIONS.

Montreal, March 6.—The Shamrocks defeated the Ottawas in the last match of the championship hockey series on Saturday night by a score of 7 to 3.—A free fight on the ice was one of the features, and Wall, a Shamrock player, was ruled off.

LONDON WANTS A GAME.

London, March 6.—London's hockey team is determined to get a game on with the Frontenacs, of Kingston, if it is at all possible. On Saturday night the Executive wrote the managers of the Kingston team, offering them a bonus of $100 in addition to all expenses, for ten men, if they would come to London for a game. If it is impossible for the Frontenacs to accept this offer London will try to arrange for a game in the Limestone City.

Hamilton Evening Times – March 6, 1899

Farrel, the crack forward of the world's champion Shamrock team, played with Berlin last year.

A Winnipeg despatch says: Dan Bain, the Winnipeg forward, whose eye was injured during the hockey match with Montreal Victorias for the Stanley Cup, left to-day for California, where he has been ordered by his physician.

Hamilton Evening Times – March 7, 1899

Kingston, March 7.—The Frontenacs had an easy victory here last night over the Nationals, of Guelph, in the final match of the O. H. A. intermediate series. The Frontenacs succeeded in tallying up five goals, while the Nationals were successful in obtaining two only. Half a minute after the match opened Rayner, Clarke and Wilson rushed up the rink with the puck, and Reyner made the telling shot. It took exactly five minutes to secure the next one, and during the interval the Frontenacs had everything pretty much their own way. The Nationals then woke up, and before half-time sounded had evened up the score.

In the second half the Nationals were simply not in the game. The Frontenacs were the aggressors from the outset, and poured shot after shot on the Nationals' goal, but a strong defence prevented them from scoring. The game was very rough.

AFTER THE PUCK.

Queen's University team will not challenge the Shamrocks, of Montreal, for the Canadian championship.

Brockville defeated Cornwall by 5 to 2 in the final game of the A. H. A. championship series.

The Waterloo and T. R. C. teams play in Toronto to-night.

The Shamrocks have gone on a nine days' trip to Halifax and Boston.

The Quaker City team, of Philadelphia, claims the championship of the United States.

HALIFAX TIED SHAMROCKS.

Halifax, March 8.—The champion Montreal Shamrock and Halifax Crescent teams played a game of hockey last night on ice which was damp when play started and decidedly wet when it ended. The game proved a tie, each side scoring two goals. Crockett, one of the Halifax team, had his shoulder knocked out of place, but it was re-set as he lay on the ice, and he continued at the game.

NATIONALS WON AT NAPANEE.

Napanee, March 8.—A fast game of hockey was played here last night between the Guelph Nationals and the Napanee team. The game resulted in a score of 6 to 4 in favor of the visitors.

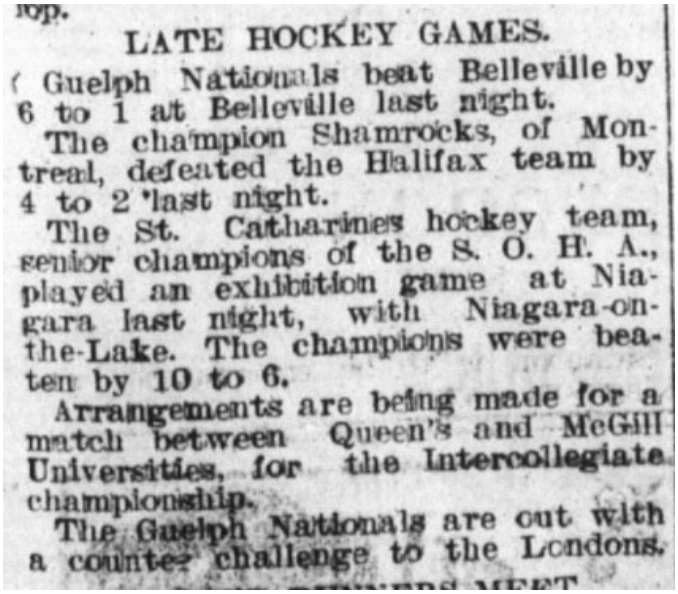
SHAMROCKS MUST PLAY.

Kingston, March 8.—Mr. Beaton, Secretary of the Ontario Hockey Association, says Queen's game with the Shamrocks, of Montreal, for the Stanley Cup, is not off. He states that he asked for a game on March 8th, but the Shamrocks pleaded engagements in the United States, and requested that the game do not occur this season. Mr. Beaton replied that the game must be played this season, but so far he has had no reply.

AMENITIES OF SPORT.

Guelph, Ont., March 8.—The London Hockey Club wired the following message to the Guelph nationals after the Frontenac-National game: "Accept our deep sympathy." "Was the ice soft last night?" The Nationals sent the following reply: "Squarely defeated; accepted like sportsmen. We don't break association rules, be thrown down, then whine like whipped curs. Will give your aquatic aggregation one hundred dollars to play here. Put up, or shut up."

Hamilton Evening Times – March 8, 1899



LATE HOCKEY GAMES.

Guelph Nationals beat Belleville by 6 to 1 at Belleville last night.

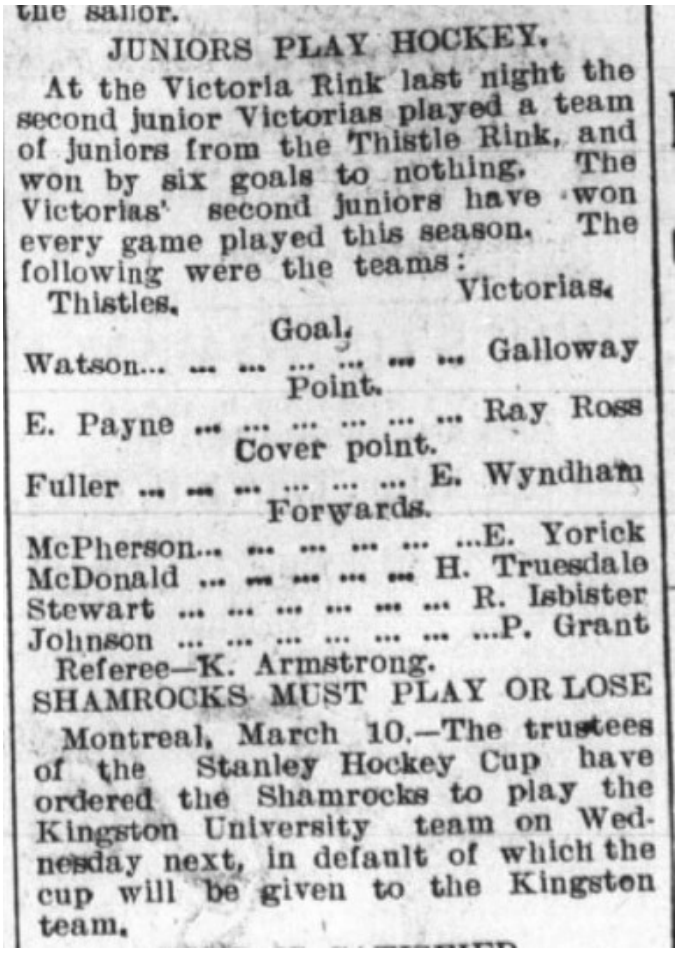
The champion Shamrocks, of Montreal, defeated the Halifax team by 4 to 2 last night.

The St. Catharines hockey team, senior champions of the S. O. H. A., played an exhibition game at Niagara last night, with Niagara-on-the-Lake. The champions were beaten by 10 to 6.

Arrangements are being made for a match between Queen's and McGill Universities, for the Intercollegiate championship.

The Guelph Nationals are out with a counter challenge to the Londons.

Hamilton Evening Times – March 9, 1899



JUNIORS PLAY HOCKEY.

At the Victoria Rink last night the second junior Victorias played a team of juniors from the Thistle Rink, and won by six goals to nothing. The Victorias' second juniors have won every game played this season. The following were the teams:

Thistles.	Victorias.
Goal.	
Watson	Galloway

E. Payne	Ray Ross
Cover point.	
Fuller	E. Wyndham
Forwards.	
McPherson	E. Yorick
McDonald	H. Truesdale

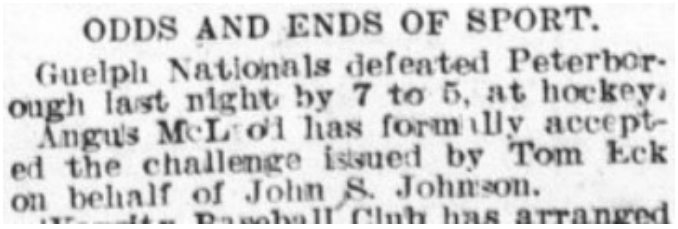
Referee—K. Armstrong.

SHAMROCKS MUST PLAY OR LOSE

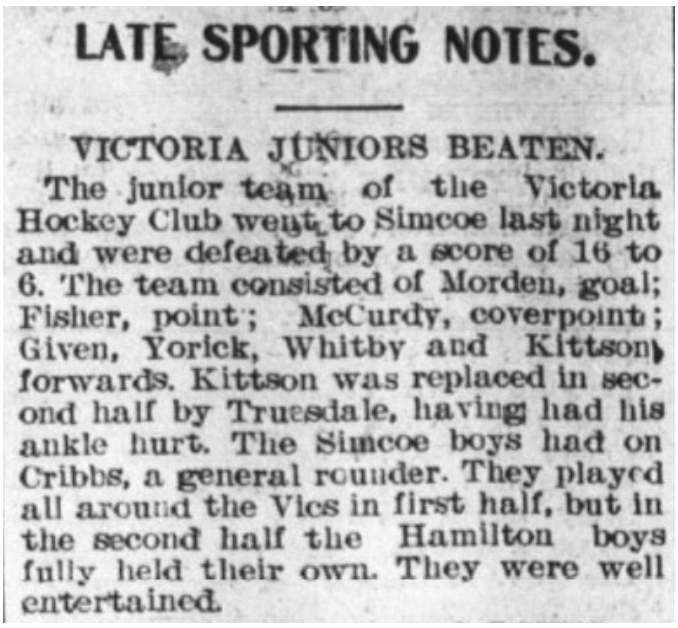
Montreal, March 10.—The trustees of the Stanley Hockey Cup have ordered the Shamrocks to play the Kingston University team on Wednesday next, in default of which the cup will be given to the Kingston team.



ODDS AND ENDS OF SPORT.

Guelph Nationals defeated Peterborough last night by 7 to 5, at hockey.

Angus McLeod has formally accepted the challenge issued by Tom Eck on behalf of John S. Johnson.



LATE SPORTING NOTES.

VICTORIA JUNIORS BEATEN.

The junior team of the Victoria Hockey Club went to Simcoe last night and were defeated by a score of 16 to 6. The team consisted of Morden, goal; Fisher, point; McCurdy, coverpoint; Given, Yorick, Whitby and Kittson, forwards. Kittson was replaced in second half by Truesdale, having had his ankle hurt. The Simcoe boys had on Cribbs, a general rounder. They played all around the Vics in first half, but in the second half the Hamilton boys fully held their own. They were well entertained.

WOODSTOCK BEAT PARIS.

Woodstock, March 11.—Woodstock and Paris played off their tie game of February 28th, when the score was 9 each, to-night at Ingersoll, Paris, for the first time in history, losing a league game. About 400 accompanied the team by special train. The game was fast and furious from start to finish, Paris scoring the first goal in 20 minutes, and Woodstock scoring the next four in rapid succession, leaving the score at half time, 4 to 1.

In the second half, Woodstock added 2, and Paris 3, leaving the final score 6 to 4 in favor of Woodstock.

The combination work of the Woodstock team was exceptionally fast and clean, and had it not been for the splendid work of Gray in goal for Paris, the score would have been doubled. The line-up was as follows:

Woodstock—Goal, Maltman; point, Wilkinson; cover point, Brown; "Hippo" Galloway, Miller, McLennan, and Pascoe, forwards.

Paris—Goal, Gray; point, Howell; cover-point, Rousell; Mauer, Brown, Leyden, and Adams, forwards.

Referee, W. W. Muir, Brantford; goal umpires, Howie, Brantford, and T. Wyndham, Hamilton. Attendance, 1,300.

C. O. H. A. STANDING.

The defeat of the Paris Hockey Club last night by Woodstock gives Brantford a chance to win the Central Ontario championship. On February 24th the Woodstock team defeated Brantford by 17 to 1, but Brantford protested and the protest is to be considered at a meeting of the league to be held in Brantford to-night. If Brantford succeeds in winning the protest, being awarded the game Brantford and Paris will be tie in the race. Such a course on the part of the Association Executive, however, would be unsportsmanlike. If Brantford's protest is sustained the teams should be ordered to play over again. Then if Brantford won it would have a chance at Paris.

HOCKEY GAMES AND NOTES.

The Shamrocks defeated the Mohawk Hockey Team at Halifax last night by 5 to 0.

The Nationals, of Guelph, played the Ontarios, of Port Hope, a draw, 3 all, last night.

At Oshawa last night the home team defeated Whitby in an exhibition game by a score of 10 to 8.

Queen's seven have proposed Weldy Young for referee of the Stanley cup match.

The Victoria Hockey Club, of Montreal, easily defeated the champion Brooklyn team at New York last night.

In Winnipeg there are two hockey teams who call themselves "Finnan Haddies" and "Porridge Eaters."

Hamilton Evening Times – March 11, 1899

GAVE BRANTFORD THE GAME.

The Central Ontario Hockey Association Executive met at Paris on Saturday evening and decided the Brantford protest. The decision was in favor of Brantford, Woodstock, it having been proved, having played ineligible men. The game was given to Brantford. This leaves Brantford and Paris tied for first place in the league championship race. The tie will be played off at Ingersoll to-morrow night.

FOR THE STANLEY CUP.

Montreal, March 13.—Mr. W. F. Lunny, Secretary-Treasurer of the Shamrock A. A. A., had a conference with the Trustees of the Stanley cup on Saturday at Ottawa, and as a result the Shamrocks and the Ontario champions, Queen's, will play for the Stanley cup on Wednesday night of this week.

OTHER HOCKEY GAMES.

Montreal Victorias defeated the All New York Team by 5 to 4 on Saturday.

The senior hockey match at Winnipeg on Saturday night resulted as follows: Victoria 5, Winnipeg 3. The chief feature of the game was its roughness.

Galt defeated Woodstock by 10 to 9 on Saturday.

HOCKEY GAMES AND NOTES.

Goderich won the championship of Huron County by defeating Seaforth last night.

English, the Midland hockey player, who assaulted Referee Labatt in the game with Collingwood, has been suspended for life.

Queen's Hockey Team left Kingston for Montreal to meet the Shamrocks for the Stanley cup. They took down "Bobby" Hiscock as goalkeeper. It will be the first match he will have participated in this season. Kerr, of Ottawa, will referee.

ONTARIO CHAMPIONS BEATEN.

Montreal, March 15.—The champion Shamrock hockey team defeated Queen's last night at the Arena for the Stanley Cup by 6 goals to 2. The match was decidedly one-sided. There were 1,500 spectators. The referee was Harvey Pulford, of Ottawa. Just before the start the referee announced that the trustees of the cup decided that the first half should be played under Ontario rules and the second under the Quebec rules. The Queen's men started with a dash, and outplayed their opponents, Harty scoring the first goal after seven minutes. The Shamrocks then drew themselves together and scored the second, third and fourth. A short delay followed, owing to a Shamrock man being hurt. When play was resumed, Harty rushed the puck up and scored again for Queen's. At half-time the score was 4 to 2 in favor of the Shamrocks. In the second half, under Quebec rules, the Shamrocks had it all their own way, and added two more goals, making the score 6 to 2 in favor of the Shamrocks. For the visitors Harty and Curtis put up a fine game, but the whole team seemed at a disadvantage on such a large rink. The play was not fast, but was free from roughness. The teams were:

Queen's—Goal, Hiscock; point, Curtis; cover, Merrill; forwards, Harty, Dalton, Carr Harris, Walkem.

Shamrocks—Goal, McKenna; point, Tansey; cover, Wall; forwards, Tuhey, Brannen, Scanlon, Farrell.

FOR A NEW HOCKEY LEAGUE.

Toronto World: Now that the O. H. A. season is over, there is a great deal of talk among some of the clubs in regard to organizing a new senior league, with six clubs: Toronto Rowing Club, Wellingtons, Guelph Nationals, Peterboro, Waterloo and Stratford. It is more than likely that Mr. Joseph Seagram, of Waterloo, will present a cup to be competed for annually.

NATIONALS LOSE AT STRATFORD.

Stratford, March 15.—A very fair sample of hockey was that witnessed at the local rink to-night between the famous Guelph Nationals and the Stratford seniors. At half-time the score stood 4 to 1 in favor of the home team, but in the second half the visitors pulled up a little and scored two more, leaving the result 4 to 3 in favor of Stratford.

Hamilton Evening Times – March 15, 1899

At Ingersoll last night the Brantford Hockey Club met the Paris Club and played off the tie in the Central Ontario Hockey Association series. Each of these clubs had won five and lost one game. Last night's result was a victory for Brantford by 9 to 6, and thus the Telephone city seven won the championship. During all the years that Paris was in the Southern Ontario Hockey Association its team won the championship every year, and went through season after season without being beaten. A change will be good for the game.

LATE SPORTING NOTES.

Last night's C. O. H. A. hockey match, in which Brantford defeated Paris, is not likely to settle the championship of the association after all. The Paris club has protested the Woodstock-Paris game, played at Ingersoll last week on the ground that Woodstock played ringers. As Brantford won an appeal and was awarded a game on exactly the same grounds, there is no reason to believe other than that Paris will be awarded the game now in dispute. That will leave Brantford and Paris again tied in the league race and will necessitate another match. Paris is handicapped by reason of having no rink to practise on.

Hamilton Evening Times – March 16, 1899

ST. KITTS BEATS PARIS.

St. Catharines, March 17.—The final match to decide the championship of the C. O. H. A. and the S. O. H. A. was played here last night between the Paris and St. Catharines teams, leaders of the respective leagues. The game was a famous one for clean and fast playing, and resulted in a victory for the home team by a score of 10 goals to 8; standing at half-time 6 to 4 in the victors' favor.

As the Paris club does not lead in the C. O. H. A., last night's match does not decide anything.

SHAMROCKS BEAT ALL NEW YORK

New York, March 17.—Those hockey players known as the All New Yorks were defeated last night by the Shamrocks, of Montreal, in a close and exciting game at the Clermont avenue rink, Brooklyn. The score was 5 goals to 2. The attendance was large, considering the short notice, and those present saw real good hockey.

PARIS PROTESTS BRANTFORD.

Paris, March 17.—Paris protests the game won by Brantford at Ingersoll on Wednesday night. Brantford played two ringers, namely, Cribbs, of Simcoe, and Page. The report in to-day's papers gives the championship to Brantford. This is not correct. Brantford and Paris are a tie, even if Wednesday night's game stands.

Paris has also protested the game with Woodstock on the same grounds. The Executive of the C. O. H. A. will meet Monday or Tuesday and decide the protests.

Woodstock and Guelph Nationals played a draw match at hockey at Woodstock last night, each side scoring six goals.

Waterloo defeated Seaforth by 7 to 6 at Waterloo, last night.

Marcus Daly's Scottish Chieftain has been declared out of the Brooklyn and Suburban handicaps.

J. B. Respess, of Covington, Ky., has sold the three-year-old Judge Tarvin, by Lord Hartington—Eurie, to a New York buyer, for $6,000. He bought the colt from W. J. Smith, of Toronto, a year ago.

Riley Grannan is said to have gone to England. The way of the plunger is no easier there than in America. On either side of the water he comes to the same end; they grind his bones to make bread for the expenses of the game.

At New Orleans yesterday Fintan, who finished first in the last race, was disqualified for crowding Briggs. Hothersoll was suspended indefinitely for his ride on Our Clara is the second race. Three favorites won.

THE HOCKEY PLAYERS.

The Shamrocks, Canadian champions, defeated the Brooklyn Club by 9 to 4 on Saturday night.

The Waterloo ladies' team defeated the Berlin ladies 8 to 6 in Waterloo on Saturday.

In Winnipeg on Saturday night 3,000 spectators saw Portage la Prairie beat Brandon 3 to 1 for the intermediate championship of Manitoba.

ODDS AND ENDS OF SPORT.

During the hockey season just closed Queen's team, the Ontario champions, scored 97 to their opponents' 24 goals, and were only beaten once—by the Shamrocks, champions of Canada.

Hamilton Evening Times – March 21, 1899

Now that spring is almost at hand, a foot of snow to the contrary, notwithstanding, and the ice is apt to disappear at any time, a meeting of the Executive of the Central Ontario Hockey Association has been called to decide protests that are hanging and wind up the affairs of the season. The meeting will be held in Paris on Thursday evening. The Paris club protested two games last week and good policy should have led the Brantford club, which stands to lose, to get a meeting on days ago. The position of the clubs is peculiar in regard to the protests. Paris is morally certain to win the one against Woodstock. Even if the protest against Brantford is lost the Paris club will be tied with Brantford. If the Paris protest against Brantford is also won Paris will have the championship. In case of a tie being established, there is no certainty that the weather will permit of a match to decide which is winner.

ODDS AND ENDS OF SPORT.

Waterloo beat Seaforth by 6 to 4 at hockey last night.

Hamilton Evening Times – March 22, 1899

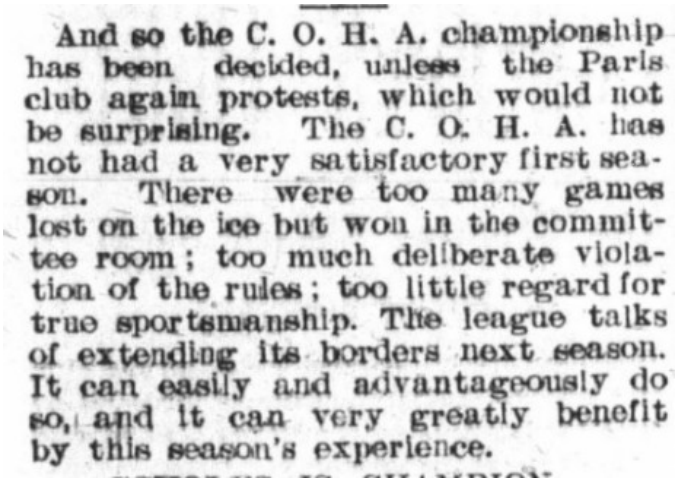
BEAMSVILLE BEAT GRIMSBY.

Beamsville, Ont., March 24.—Beamsville senior hockey team fairly played tag with Grimsby at Grimsby last night. The visitors had the home team always at their mercy. Score, 9 to 2 in favor of Beamsville. Grimsby was defeated by Beamsville juniors on Tuesday night by the score of 8 to 2.

Hamilton Evening Times – March 24, 1899

C. O. H. A. CHAMPIONSHIP.

Brantford, March 29.—A hockey match came off here last night between Paris and Brantford. The attendance was large and the ice was in good condition. Two weeks ago Paris and Brantford played a match at Ingersoll, resulting in favor of Brantford. Paris raised objections to some of Brantford's players at that match, and entered a protest, resulting in the Ingersoll match being declared off and the game to-night taking its place, to decide the Central Ontario championship. The game was somewhat rough, Paris being determined to win, but, in spite of their many efforts, they met their Waterloo, being whitewashed for the first time since their formation, the game resulting in favor of Brantford. Score, 3 to 0.



And so the C. O. H. A. championship has been decided, unless the Paris club again protests, which would not be surprising. The C. O. H. A. has not had a very satisfactory first season. There were too many games lost on the ice but won in the committee room; too much deliberate violation of the rules; too little regard for true sportsmanship. The league talks of extending its borders next season. It can easily and advantageously do so, and it can very greatly benefit by this season's experience.
